"Advancing knowledge of veterinary wound healing"

# Save the date!!!

6<sup>th</sup> and 7<sup>th</sup> June 2019

**Veterinary Wound Healing Association conference  
within the EWMA congress  
Göteborg - Sweden**

**Theme: Wound infections and antimicrobial use  
in veterinary wound healing and management**

On **Friday June 7<sup>th</sup>**, a renowned group of speakers will lecture about clinical recognition of infections, biofilm detection and effects, as well as antimicrobial use in veterinary wound management.

It will be exciting to discuss together the newest developments in open wound treatment with focus on antimicrobials!

A **free communication session** will be held on **June 6<sup>th</sup>** in the afternoon. Abstracts dealing with all fields of wound healing and management are invited! Eight of them will be selected for an oral presentation and will receive **free registration for the full EWMA conference**. The best oral presentation will be awarded a prize. Please submit your abstract using the abstract form ([www.vwha.net](http://www.vwha.net)) to [advice@vwha.net](mailto:advice@vwha.net) (**Deadline: March 1<sup>st</sup> 2019**).
